Executive Leadership Committee  
Wednesday, April 1, 2015, 3:00 pm  
HPNP Room 4102  
Summary

Present: Dr. M. Perri, Dr. A. Blue, Ms. A. Burne, Dr. J. Chen (for Dr. L. Cottler), Dr. J. Foss (for Dr. W. Mann), Dr. A. Hall, Dr. D. Janicke, Dr. C. Le Prell, Dr. C. Mainous, Dr. P. Qiu, Dr. T. Sabo-Attwood, Dr. K. Vandenborne, and Ms. B. Dermott

1. Action Items Follow-Up  
   a. Revisions to space – A. Burne reported that she has not received any updates related to changes to space.

2. Capital Campaign department level goals – Dr. Perri distributed a working draft of the new capital campaign schematic. Five themes have been identified: health and wellness, the environment, the economy, global systems, and the renaissance individual. The following motivational drivers have also been identified: leadership, entrepreneurship and creativity. Dr. Perri noted that the targets for the new campaign are significantly higher than the amount raised in the last campaign. Each college has the opportunity to identify themes for its campaign, and Dr. Perri led a discussion related to themes for PHHP. Suggestions included:
   a. Diseases/treatments that have an emotional appeal such as autism, muscular dystrophy, deafness/cochlear implants, dementia/Alzheimer’s, muscular retraining/spinal cord injury
   b. Patient safety, quality of life/living well
   c. Children with special needs/disabilities
   d. Naming opportunities ranging from professorships, classrooms, and departments to the college
   e. Corporate sponsorship

   AP: Each chair should send ideas for his/her department to Dr. Perri by Wednesday, April 15

3. Administrative update – Dr. Perri reported that Dr. Guzick will meet with all deans and the college commencement activities organizer to ensure consistency across the colleges. Dr. Perri also reported that interviews for the Cancer Center director are happening April 1 and 2.

4. Announcements
a. Dr. Qiu announced that the Biostatistics department has one paper being recognized at the UF IFAS research awards ceremony.

b. Dr. Le Prell announced that Dr. Karen Hegland received an NOA for new a R21 and two students won best poster awards at the American Association of Audiology meeting.

c. Dr. Blue announced that the first inter-professional Clarion Competition was held with 17 teams going to the final competition. Several PHHP teams did well.

d. Dr. Janicke announced that Dr. Cynthia Johnson had an article published in JAMA.

e. Dr. Vandenborne announced that Dr. Terese Chmielewski scored an 80% percentile on her grant application.

f. Dr. Foss announced that the OT department is preparing to go to the OT national conference, where 10 students will be presenting.

g. Dr. Hanson reminded the group that PHHP convocation will take place on Saturday, May 2. She reported that more nominations are needed for student awards, particularly for Dean’s Scholars at the graduate level. The college scholarship committee headed by Dr. Ken Logan, who can provide more information about awards and criteria.
